

## ***Food Collection for HAP***

***Aldersgate's continue's each month to have a food drive for HAP  
(Huntsville Assistance Program).***

HAP continue to provide food for many new clients each week - at least 30 families are given food every week.

Even with over 60 churches contributing, there is never enough on the shelves for the next week's distributions. I encourage you to pick up a few items each week and put them in the blue baskets in the back hallway.

Some of the items that are always needed are cereal, canned meats (chicken, tuna, Spam, etc.) peanut butter, canned fruits and vegetables, soups, crackers, pasta noodles and pasta sauce, canned beans, dry beans, rice, canned meals, and boxed potatoes. Thank you for your continued support of this important community program .

-

***The need is greater than ever! Pick up some things when you shop this month and bring them all  
this month.***

***Blue baskets will be in the narthex and the back entrance hallway for this collection.***

***Call Connie Carter with any questions.***

***Thank you for supporting this program - many are counting on us this month.***
